DEAR VALUED MEMBER,

As the “Annual Enrollment Period” starts October 15th and runs to December 7th, 2024, we will help you navigate through this sometimes-confusing time. We are reaching out to you today to introduce you to PromiseCare and the many benefits of becoming a member of PromiseCare.

Our group consists of over 300 physicians, all dedicated to providing high-quality healthcare to our members. By joining our medical group, you will gain access to a wide range of medical services and specialists, as well as state-of-the-art facilities and cutting-edge technology.

Our group is more than just a network of healthcare providers. We are committed to revolutionizing the way healthcare is delivered, by putting the power of choice and control in the hands of our members. As a member, you will have access to a range of tools and resources to help you manage your health, including online health records, telemedicine services, wellness programs and support services.

At PromiseCare, we believe that healthcare is a partnership between patients and providers. We are dedicated to working with you to achieve your health goals and provide personalized care that is tailored to your individual needs.

We invite you to join our PromiseCare today and take control of your health. Please don't hesitate to contact us with any questions you may have. Let us help you find your physician. Take advantage of our FREE Patient Education Programs.

For any questions, please call our Member Services Department at 951-390-2840, Monday – Friday, from 8:00 am to 4:00 pm.

Sincerely,

Your PromiseCare Team

HEALTH
GLOBAL MEDICAL CENTERS

KPC Health is **PROUD** of its Residency Program

BRINGING ACADEMIC EXCELLENCE TO OUR HOSPITALS

The Post Graduate Medical Education Residency Program has been designed to ensure mastery of clinical medicine. The goal of the program is to enable postgraduate trainees to become competent, proficient, and professional physicians, who support the medical needs of our community for years to come.

We offer a diverse range of clinical education programs, encompassing various specialties such as **Diagnostic Radiology, Internal Medicine, Transitional Year, Family Medicine, Endocrinology Fellowship, Gastroenterology Fellowship, and Infectious Diseases Fellowship.** Our comprehensive training opportunities cater to both inpatient and outpatient settings, ensuring a well-rounded clinical education experience.

Accreditation Council for
Graduate Medical Education

OUR MISSION

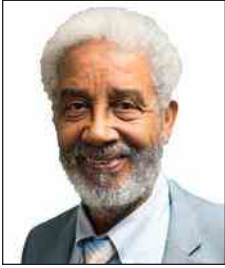

The mission of the KPC Health Graduate Medical Education Program is to provide physician residents a training program with a comprehensive structured academic and procedural clinical education in both inpatient and outpatient settings in our Diagnostic Radiology, Internal Medicine, Transition Year, Family Medicine, Endocrinology Fellowship, Gastroenterology Fellowship, and Infectious Diseases Fellowship.

Get in and out faster with an appointment.

Appointments take priority over walk-ins.

Make an appointment and get on with your day

Your neighborhood Quest location is improving how scheduling works. When you book an appointment, you'll receive personalized care with little to no wait time.

New walk-in guidelines

We strongly recommend you make an appointment ahead of time. However, if you do come to Quest without an appointment, you may be accommodated during the next available appointment opening. You'll be able to make an appointment for the same day or another day on your mobile phone or by using the kiosk inside. You may also check appointment availability at nearby Quest locations.

IMAGING

WE LOVE OUR PATIENTS

Our patients are the most valuable members of our practice. Whether they are coming to us for the first time or have been our patient for many years, we are privileged to serve their diagnostic imaging needs. With state-of-the-art equipment, highly trained and credentialed staff, all of our patients can be assured they are getting the very best medical care.

SERVICES

To ensure each patient is properly cared for, we provide cutting edge imaging technology so each patient can be accurately diagnosed, so they can receive the medical care that they deserve.
